

ENGLISH WEEK

Different subjects week are celebrated in the school with the motive to unleash creativity and talents. A competitive environment is created where every student is given a platform to excel!!

A spate of activities was organised for the students to celebrate English week for complete development of mind, body, heart and soul. Students displayed their creativity and talent through activities such as [SAY ONE'S PIECE, TED TALK, QUIZ-O-NOVEL.] Remarkable variety of activities were organised in senior wing which included [RADIO SHOW, MOOT COURT, TREAD THE BOARD.] Students participated in various literary activities with full enthusiasm. Stress was on 100% participation of students from each section and each class. The best entries from each section later presented the show on the stage. Such stage exposure helped the students to improve their communicative skills, confidence and overcome their weakness. Overall it was a week of "Learning and Gaining."
