EVS Presentation Week

Class-2

‘My Family and I’

“Families are like branches on a tree. We grow in different directions, yet our roots remain one.”

Family, life’s greatest blessing, a group that dreams, laughs, plays and loves together, those whom you can always count on. Families are the compass that guide us. They are the inspiration to reach great heights, and our comfort when we occasionally falter. To show the same, students of class 2 represented their work in the form of presentation, charts, flash cards, props etc. where they showcased the importance of a family, types of families, activities that they do with their parents and grandparents, something special about their family members and the type of family they live in. To culminate the presentation week, a volunteer grandparent was invited and asked to narrate a story to all the students. The students enjoyed the session. The presentation helped the learners in enhancing their speaking, creativity, emotional and thinking skills.
