EVS Presentation Week

Class-1

'My Family'

22/4/2022 - 28/4/2022

"To us, family means putting your arms around each other and being there"

Family is one of the most important part in our lives. Taking time every day to appreciate your loved ones for all that they do helps us to reconnect as a family. The love of our families sustains us and keeps us going when we need it most, and they'll celebrate all our victories. Being a family means you are a part of something very wonderful. It means you will love and be loved for the rest of your life. To show the same, students of class-1 presented their work in the form of presentation, charts, flashcards, props etc. To wrap up the week presentation, a parent from each section was invited to conduct a family quiz for the students. The students relish the interactive and captivating session.
