

REPORT – EXPLORA VISION

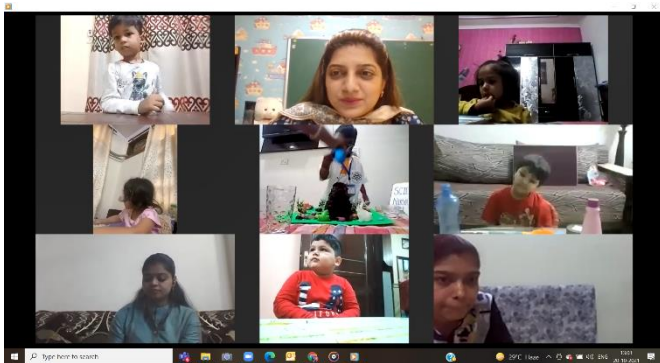

DATE – 18.10.21

CLASS – MONTESSORI 1

**“THE SCIENCE OF TODAY IS THE TECHNOLOGY OF TOMORROW.”
– EDWARD TELLER**

Science provides a clear thinking approach to the children for problem solving, exploring and reasoning.

Students of Montessori – 1 initiated in a competition “Explora Vision” where they showcased their scientific interest through simple science experiments followed by the logic behind the reason of the experiment.

A parent judge, Ms. Chanchal, also witnessed the event and remarked on the active and enthusiastic participation of the participants.

Result of same is as follows –

s.no.	Name of the student	Rank
1	HARMAN MADAN	1ST
2	Nirvaan Goyal	2nd
3	RAGHAV BHARDWAJ	3RD
	STUTI GOEL
