DATE- 01.10.18

Father of the nation- Mahatma Gandhi is an inspiration for all the generations. His strategy was simple but full of impact. A special assembly was organized to pay tribute to him as well as our little audience was able to grasp the message given by the skit on the theme of Gandhi Ji's three monkey's , how to be in your life, , was performed by Pre-Primary & Mont students.

The dance performance was very entertaining and the motto was to convey that we must follow the path of truth and wisdom with non-violence. His dream of having clean India is the mission for all the citizens of India. Our kids promised to follow the same.

Hey Ram!
