**Graduation is an exciting time. It's both an ending and a beginning.**

**The Graduation Day ceremony commemorates the precious moments of the little ones and offers an opportunity to celebrate the culmination of their Pre-School years and the beginning of new experiences to come.**

**A special assembly was organized to wish good luck ahead. Pre-School students presented an endearing dance performance, the energy and exuberance of the children was a joy to behold. Another surprise which filled laughter in air was the puppet show. Every child was carrying a smile on their face as they exchanged their handmade token of love with each other.**
