

HURDLE RACE PRE-SCHOOL

26.09.19

Races inspire children to develop a love for fitness. A Hurdle Race was organized for the students of Pre School on 26.09.19. The objective of the race was to make children stay focused as there were many challenges for them in the race. They have to come tomorrow cross the hurdles and complete the race. This race catered to cognitive and phsycomotor domains of learning. The children participated with full zeal and excitement.
