

# 'I CAN HELP YOU RACE'

## PRE SCHOOL

16.10.2019

Community helpers are very important, they not just help in keeping the community safe and healthy but also make life better for the people and help the community function more efficiently. To make the students aware about the role of helpers in our life, 'I can help you Race' was conducted for Preschoolers. In this race, they sorted the correct tool used by the helper to reach the destination.
