INNOVA -ATTIRE PRESENTATION

Pre-Primary

14.07.2022

“Life doesn’t come with a manual, it comes with a mother.”

MAPS organised “Innova Attire Presentation” for our pre-primary kids. A memorable event in which mother-child duo decked up in similar attires walked on the ramp and mesmerized everyone. This event helped in boosting confidence in the kids and was an enjoyable day for one and all. The mothers enthusiastically took part in it and participated with great zeal and gave their best.
