CREATIVITY IS MAKING MARVELLOUS OUT OF DISCARDED

In order to make the children aware of uses of waste material and to give them a lesson on reducing waste to save our future

JUNK ART COMPETITION

is organized for Pre-Primary students

on 20.12.19 (FRIDAY)

KINDLY NOTE:

- 1. Child has to make a 3D object using different waste materials like old CD, bottle caps, paper plates, plastic bottles etc.**
- 2. Child should bring only raw material in school and nothing should be made in advance at home.**
- 3. Time duration- 1 hour.**
- 4. Selection will be done on the basis of material used, creativity and usage of object made.**
- 5. Best 5 entries will be selected from each class.**
