

JUNK ART COMPETITION
PRE PRIMARY
08.01.2020

"We do not inherit the earth from our parents, we borrow it from our children".

- Chief Seattle

In an initiative to generate the habit of using old things to create beautiful crafts amongst children, 'Junk Art' Competition was organized for Preprimary classes on 20.12.19. The objective of the competition was to create love for environment by making best out of waste with the help of recyclable and reusable things like old CD, bottle caps, paper plates, plastic bottles etc. Students made various 3D objects like pen holder, wall hanging, multi-purpose basket etc. The criteria of judgement was material used, creativity and usage of object made. It was fun filled contest which ignited their artistic potential. A learning experience for all, the competition promoted use of waste material creatively and reducing waste to save our future.
