Date:-06.02.2018

“Every child is an Artist”

Keeping this in mind and to explore the creative potentials in the young minds of our primary children an interclass drawing and colouring competition for classes preprimary was conducted. The theme of the activity was “Spring Season”. The children showcased their creative skills in drawing and colouring and came up with amazing art work. Each of these drawings was done so beautifully and diligently by the children, it was a treat to the eyes. Selecting the students was a tough task for the judges. The criteria for judgment were Neatness, Creativity, Colour Combination and overall effect and accuracy in sketching.
