

KALAKRITI COMPETITION

PRE SCHOOL
DATE:- 29.08.2017

"We can learn a lot from crayons; some are sharp, some are pretty, some are dull, while others bright, but they all have learned to live together in the same box."

It was a day of colours at MAPS when the children participated in the colouring competition KALAKRITI. The students coloured a butterfly in which they displayed their colouring skills. The little ones enjoyed this colouring activity where they were able to showcase their imagination, could make choice of colours and exhibit their creativity. It was a pleasure to watch these tiny tots working with such ease with colours and crafting new ideas. Each and every child participated passionately in the competition.

The winners were as follows

BHARGAVI SHIWANI
1ST - P.S.B

AAROHI
2ND - P.S.F

AYUSH
