

LITTLE PICASSO

A COLOURING COMPETITION

Date: 18.07.19

"Colors are brighter when the mind is open"

We at MAPS believe that if a child gets proper environment, guidance, and encouragement then his hidden talents develop. Thus, a coloring competition - Little Picasso was conducted for Pre School students. Colors are the medium of expression for kids, so this competition brought out their colorful imagination. Also it was helpful in color recognition, building motor skills, coordination, focus and control on their movements. It was a pleasure to watch these tiny tots work with such an ease.
