

LOGO MAKING ACTIVITY

On the beautiful morning of 27th April 2016, a logo making activity was conducted for the students of class 3 and 4. The aim of this thought-provoking activity was to help the students to explore the symbolic significance of their respective house logo. The logo of each house was displayed on the smart board to help the students to analyze and draw. The enthusiastic learners displayed their creative and artistic skills by drawing and colouring the logos. This activity enabled the students to develop a sense of belongingness.
