Lohri Celebration

12.1.24

“Bonfires blaze, joy resonates – Lohri festivities light up our hearts!”

Maps foundational wing had an enthusiastic 'Virtual Online Lohri Celebration' on 12.1.2024.

The teachers had an interactive session with the kids, explaining why Lohri is celebrated and then sharing a colorful animation, narrating the relevance of Lohri Celebration.

The virtual platform resonated with the festive spirit as boys and girls dressed up in traditional Punjabi attire. Dance session added a dynamic touch to the celebration, making it a memorable and engaging experience for everyone involved.

The class enjoyed a delightful Lohri celebration, munching on popcorns, peanuts, and revari while engaging in creative activities like making kites from empty peanut shells, coloring the born fire and crafting vibrant posters.

The celebration in online class was lively and engaging.
