

## MAKAR SANKRANTI CELEBRATION

14 January 2022

Makar Sankranti is a Hindu festival celebrated all over India on 14th January'22 every year. MAPS Foundational wing students celebrated the festival with a few exuberance and funfare via virtual platform. They were completely absorbed in the festive spirit. To mark the occasion, students of classes Pre school to class II , showcased their creativity with the help of free hand drawing of different pictures related to the festival and craft of kite. Students performed Surya Namaskar also. All the students enjoyed the event with great excitement.
