

**Morning Assembly**  
**Class-1 E**  
**Topic- SELF DISCIPLINE**  
**Date- 13.2.18**

**“Work while you work and play while you play.  
This is the basic rule of SELF-DISCIPLINE.”**

Class I E conducted an assembly on “Self-Discipline. The assembly started with the Morning Prayer followed by the news headlines and the thought for the day. Student life is the best time to build the habit of discipline. Students of Class I E made the audience aware about the school rules, which every student must follow such as:

- **Be punctual to school.**
- **Dress up neatly in your school uniform.**
- **Respect your teachers.**
- **Keep the class room and the school premises neat and clean.**
- **Always walk on the left side of the staircase.**
- **Complete the classwork on time.**

Students shared basic rules to be followed for a self-disciplined life through the song.

At last, the class teacher shared some important rules related to self-discipline, which students should follow regularly. Every student enjoyed the presentations, learnt the value of self-discipline, and promised that they all will follow the basic rule of self-discipline i.e. “Work while you work and play while you play”.
