

**MORNING ASSEMBLY**  
**CLASS 1 D**  
**DATE: 20.02.2018**  
**TOPIC-‘IMPORTANCE ON VALUES’**

“Your beliefs become your thoughts,  
Your thoughts become your words,  
Your words become your actions,  
Your actions become your habits,  
Your habits become your values,  
Your values become your destiny.”

The students of Class 1 D presented their Morning Assembly on the theme “IMPORTANCE OF VALUES”. Assembly was started with the thought of the day, which was very well teamed up with the theme. This was followed by one song based on values. They seemed to have rehearsed it so well that its effect was visible on stage. They made a sincere effort to make the song lively and realistic. Their next performance was a dance based on VALUES. The students as well as the staff members enjoyed and appreciated the performance. The children who sat in the audience were also very keen to share what they had learnt and promised to observe moral values at School so that others would notice and do the same.

The assembly was well presented. Such assemblies aim to encourage maximum class participation and thereby develop confidence and enhance peer- learning. Besides, the children learn to work in groups and enhance their inter- personal skills.
