# TOPIC – MOBILE ADDICTION

DATE: 21.08.18

*‘Technology can be our best friend, and technology can also be the biggest party pooper of our lives. It interrupts our own story, interrupts our ability to have a thought or a daydream, to imagine something wonderful.’*

To highlight the misuse of mobile phones in kids the students of Pre Primary-C presented their Morning Assembly on the topic Mobile Addiction. The students presented a skit to tell the ill effects of excessive use of mobile phones. The main purpose of it was to create awareness amongst the students regarding misuse of mobile phones. Skit was followed by a dance performance on mobile addiction song.

Students were also explained about the festival Id by telling when, how and why do we celebrate Id.
