

DAY 6 ACTIVITY
DATE: 1.2.18
TOPIC: MORAL VALUES

“We all are born as empty vessels which can be shaped by moral values.”

The primary goals of education should be enabling students to gain knowledge and moral values. Our children will need both in preparing themselves to be good parents and citizens in society.

On this Day 6, an activity was conducted in class 1 on Moral Values, where our students discussed various values, which they must follow to become a good citizen. After discussion they made an outline of their hands on an A4 size sheet and wrote 5 values and promised that they will always follow these in their life.
