The Class Assembly was conducted with an aim to highlight the importance of 'TOURISM' in today's world –to promote worldwide development and brotherhood. The students of the class began with the news headlines and thought for the day, which was followed by a speech and a rhythmic poem on Tourism. After that all the students of the class sang a beautiful song related to the theme. Then the students came up with various slogans on Tourism. Each of them was well supported with placards. The theme of the assembly was very well conveyed through the relevant song and the information delivered through various presentations. Each and every student present there felt that she was a part of the world community. As Hindi Diwas is also celebrated on this day (14<sup>th</sup> September), a student recited a beautiful poem on the importance of our mother tongue Hindi.

All the students enjoyed and learnt about the importance of World Tourism in today's life and were inspired to respect our mother tongue Hindi.
