

MORNING ASSEMBLY-02.8.19 (Class-II A)

POWER OF READING

Learning to read is about listening and understanding as well as working out what is printed on the page. Through hearing stories, children are exposed to a wide range of words. This helps them build their own vocabulary and improve their understanding when they listen, which is vital as they start to read.

Keeping this in mind a morning assembly was conducted by class II-A. The students of the class began with the thought of the day which was followed by speech and poems on

importance of reading. After that students spoke various quotations. Each of them was well supported by banners and props. At last, students explained every alphabet of “READ”. The students were very excited while performing on the stage.

It was well synchronized by giving the message that:

‘A LITTLE READING IS ALL THE THERAPY A PERSON NEEDS SOMETIMES’.
