

**A WORKSHOP ON**  
**INNOVATIVE TEACHING TECHNIQUES (16.09.2017)**

MAPS organised a workshop for teachers from the educators in the current practices and techniques utilized in the field of education through 'PROMISE' by Mr. Kamalneet Singh. The workshop provided primary to middle school educators a learning of these skills and specific examples of hands-on application of techniques in current classrooms.

Overall the learning session was filled with ways of bringing a smile into the classroom and was also much enjoyable for the teachers.
