

Morning Assembly

Class -1(D)

Theme – Importance of being discipline

Date - 12.02.2020

“Self-discipline is one of the keys to living to your full potential. If you can be disciplined with your daily actions you can achieve anything that you set your mind to.”

A well planned assembly was conducted by the students of class 1D focusing on the theme “Importance of being discipline”. The assembly started with news headlines and thought of the day. Every child was given an opportunity and the platform to display his or her talent and present their assembly. They performed dance and recited beautiful poems in Hindi and English related to the theme. The assembly was much appreciated by everybody .100 percent participation was there.
