

Mother's Day

Date: 8th May 2016

A Mother is she who can take the place of all others but whose place no one can take...

To acknowledge & recognize the care, love and hard work put in by mothers in every child's life, the students of Nursery Wing celebrated 'Mothers Day' on 8th May 2016. Students of Pre School made Appreciation Certificates & those of Pre Primary made beautiful handmade cards to express their love & gratitude towards their mother.
