

Motivational Workshop

-Mr.Inder Aggarwal (22-07-17)

On Saturday, Mr.Inder Aggarwal joined the MAPS staff for a two hours session , sharing his expertise in the connection between mind, body and soul. He discussed about how to develop positive attitude, remain motivated and the power of SMILE.He exhibited an easy and simple way to a happy, healthy and successful life. He enumerated various values to be inculcated in today's youth. His down to earth approach won the hearts of the teachers.

Orientation session for class XI

An interactive orientation session was conducted for the parents of class XI students on 22 July'2017. Ms.Vandana Lal and Ms.Sapna Sharma led the session and touched upon various sensitive issues like peer pressure,impact of social media, anger and arrogance among teenagers. Ms.Vandana Tandon from (TOI) shared her expertise upon valuable parenting tips. She urged the parents to focus on the need to tread along with a positive attitude and develop strong personalities amongst the children so that they can handle success. Parents found the session very informative and they also deliberated on many issues gave suggestions.
