

NEWSPAPER HUNT

CLASS -2

DAY 6 ACTIVITY

Date:-03.12.2018

Newspapers are useful tool in the ELT classroom for improving reading skills and enhancing students' knowledge of current affairs. Newspaper can help students to develop not only reading skills but also writing, grammar, vocabulary and speaking skills. Keeping this in mind, Day 6 activity was conducted in class 2. The students were supposed to underline the nouns, verbs, pronouns and adjectives from the newspaper. It enhanced their vocabulary and also helped them to become active learners. Students were very enthusiastic during the activity.
