National Voters Day

25/1/2024

VIIIth Grade students delved into a thought-provoking discussion following a PowerPoint presentation highlighting the significance of Voter's Day. The presentation comprehensively addressed key topics such as the significance of voting, the democratic process, and civic responsibilities. Engaging actively, students shared insightful perspectives on the pivotal role of voters in molding a nation's future. This session not only deepened their grasp of democratic principles but also imbued them with a heightened sense of civic duty.
