

ORIENTATION DAY

(29.03.16)

An Orientation programme for the parents of Pre School class students was held on 29.03.16 in the school auditorium. The session began with the school report given by the students. The resource person Ms. Geetanjali and our school counsellor Ms. Ankita emphasized upon the pivotal role played by parents in the upbringing of children and in helping them to tide over the cares and concerns related to childhood. This session helped the parents to understand their child and problems they could face in the new phase in their child's life. Our Nursery Co-ordinator Ms. Pooja Gaur provided the parents with an insight on school's rules and regulations. The Principal Ms. Punam Gupta also extended a warm welcome to the parents, telling them the importance of good parenting and teaching. The parents got a glimpse of the confidence and enthusiasm of the little ones through skit and dance performance. The programme ended with parents meeting their class teacher and clearing their doubts and queries. The programme gave a deeper understanding into the working of the school.
