MAPS, Ashok Vihar has achieved a remarkable hat-trick, clinching the Rolling Trophy at the national level of Odyssey of The Mind for the third consecutive time. With back-to-back gold medals in all events, the students showcased unparalleled ${ }^{5}$, creativity and brainstorming prowess. Through collaborative problem-solving and imaginative thinking, they crafted mechanical marvels and captivating performances, surpassing all expectations. This victory underscores the transformative power of fostering a culture of creativity within educational institutions. Inspired by Albert Einstein's words, we recognize that creativity is the key to unlocking boundless potential. As we celebrate this achievement, let us continue nurturing the creative spirit within every individual, empowering them to
