

On The Threshold Of 2017-18

It was the bright and cheerful morning of 27th March, 2017 when Agarsainians commenced the new academic session 2017-18 with empowered minds and energized souls. Students who secured 100% attendance in the previous session were felicitated with badges.

Principal Madam wished tones of good luck to students to begin the new session afresh and encouraged them to continue to strive for excellence always. The entire school geared up for the new session ahead in full spirit.
