

CLAY FANTASY

PRE-PRIMARY

Date:- 27.11.18

Innovation is change that unlocks new slabs.

An interesting competition 'Clay Fantasy' for Pre Primary students was organized on 27.11.18 .Students created beautiful scenes like jungle scene , garden scene , world of animals, story composition like thirsty crow and many more with the help of clay. The competition also helped the young architects develop their fine motor skills and aesthetic sense too. The aim was not only to develop competition spirit but also to boost the confidence of the children.
