

# TALE TICKLERS

PRE-PRIMARY 31.01.2019

Stories are a part of growing childhood and become a child's lifetime memory as they bring them close to real life experiences.

Story narration helps to develop various skills like expression of emotions, memory retention, enhance drama voice modulation and listening skills. Focussing on the same a story narration competition 'Tale Ticklers' for Pre-Primary was organized to develop the love for stories in children. The young story tellers used a variety of props to make their stories interesting and expressive. Each story concluded with moral highlighting different values of life like honesty, loyalty, truthfulness etc.

Enthusiasm and curiosity of the kids was also witnessed by one and all. It was truly an amazing feeling to see the story presentation skills of students.
