Topic- SELF SAFETY

Students of class Pre School-C presented Morning Assembly on Self Safety. Students illustrated a small skit on self-safety in which they depicted how we should use our intelligence to escape from strangers and act smartly. Also, they confided the A-Z of safety. All the students enacted the steps of same. At the end of assembly all the students tapped their feet on the song 'Stranger Danger – One day when I was walking to school'.

The motive behind taking this theme was to make students aware about self-safety and different measures that can be taken up for self-safety.
