## I WONDER WHOM I LOOK ALIKE

A child resembles like their mother, father etc. and they inherit some traits like fondness, habits or may be a dream...sometimes we say a child looks like their sister/brother or his/her nature is like their grandparents.

To know a child better, whom they look alike a **“PRESENTATION WEEK”** will be held for Pre-School Students. In this a child can speak about his/her looks, likings or any habits which is common, can be like mother, father, cousin or grandparents etc..

It will also help the child to be confident on stage and express themselves freely.
