

PRIZE DISTRIBUTION

Over the years MAPS has produced a number of excellent students in academics who, in the future take the reputation of the school to new heights. And what's the better way to appreciate and congratulate them than awarding them with mementoes and certi-

icates of appreciation! The class toppers of std. VI and VII were felicitated on 27.4.18 as they were given certificates and prizes by Principal Madam . .She praised the school for its all-round progress and brought home to the student's their duties and responsibilities. Principal Madam congratulated the achievers and the function came to an end amidst cheers. As for the achievers themselves, it was an honor for them to be acknowledged in front of the audience comprising their peers, teachers present on the occasion . For all the achievers, the day of 'magical moments' concluded with them being firmly resolute in their determination to surpass personal benchmarks and come back to receive more rewards for still greater achievements in next year's Prize Distribution function!
