

PRESENTATION WEEK- YOUNG REPORTERS

PRE-SCHOOL - 28-30 JANUARY 2019

Being confident is the key to life and to talk well & eloquently is a great art.

To give exposure of stage & public speaking, a 'Presentation Week- the Young Reporters' was organized for Pre-School kids. Our young reporters were all ready to imitate the news. Our news readers delivered the current news on the topics like 70th Republic Day parade, political issues, weather etc. The motto was to make the children grow and adapt the new skills required for upcoming years. No wonder it was a successful week to attain the desired goals.
