

“Compassion is not a just a feeling it is associated with a desire to make change in a life of those who are suffering”

On the morning of 18th May 2018, Purity House assembly was conducted in the school premises. Classes 6th-12th joined to witness the gathering. The assembly was prepared under the charge of Mrs. Shalini Taneja on the topic **“COMPASSION IN HUMAN LIFE”**. Purity house students beautifully portrayed the message of humanity and kindness through a series of events that included a roleplay, a mono act, a song and a dance. All displaying the precious values of kindness that have been long forgotten in the hearts of humans. Shaikh Samiya of class 8th D presented a mono act on spreading awareness about the ever-growing AIDS in our country on the occasion of 'WORLD AIDS VACCINATION DAY'. The assembly ended with the house captain, Simran Malhotra passing the charge to Liberty House captain, Khushi Manchanda. Shalini ma'am blessed the students with her kind words. Over all, the assembly was a success, and gave a message to the gathering present there.
