

100 DAYS READING CHALLENGE- READING WEEK -9

READING ACTIVITY

Reading helps students to transport themselves from their own world to another. Between the pages of a book, they can learn about diverse Indian culture and festivals. They can also learn new words and phrases, experience a range of emotions, and acquire skills and knowledge.

Under the 100 days reading challenge, this week Preschool and Pre-primary learners were encouraged to watch and read the thematic story about water conversation. Little learners understood the story with the help of their teachers and discussed about the same. Class1 and 2 students read a story about festivals followed by an activity in which class1 students depicted their favourite festival by getting dressed up accordingly. Class 2 students made a short video telling about different festivals of India using various pictures and drawings.
