

## CLASS 2 DAY -6 (20.10.16)

### TOPIC – KAABAD SE JUGAAD

Logic will take you  
from A to B.  
Imagination will take  
you everywhere.

-Einstein

The proverb itself explains very well that with the wings of imagination you may fly very high. Depicting the same students of class -2 participated in Inter House Competition and the topic for the same was '*KABAAD SE JUGAAD*'. The students came up with innovative ideas of using waste material for creating a masterpiece. They used waste cds, bangles, plastic bottles, ice-cream sticks and many more things to create something valuable .It was an inspiring and happy way of learning and creating new things.

*IMAGINATION AND CREATIVITY CAN CHANGE THE WORLD.....*
