

COLOUR ME UP COMPETITION

“Art as a medium of expression is an effective way to enhance creativity and kindle imagination”

To enhance the aesthetic sense of the kids lots of activities are planned in Montessori curriculum. One of them was Colouring Competition which was organized for Montessori 1 and 2 on **28th September, 2018**. It was a pleasure to watch the tiny tots working with such an ease with colours. They enjoyed colouring, shading in the given picture. Students exhibited their creativity and colour sense.

Overall it was an enjoyable experience for all the students.

The winners of the competition are as follows:
