

## REPORT ON THROW THE BALL RACE

DATE- 26.10.18

CLASS-PRE SCHOOL

**Sports make children more physically agile to face daily challenges. In an effort to motivate our young learners to engage in physical active learning 'Throw the Ball' race was organised on 26<sup>th</sup> October 2018 where they had to target the hoops with balls to help them pass through. The objective was to develop the spirit of sportsmanship and to promote gross motor skills, eye hand coordination, self-esteem, balance, confidence and strength. Kids participated with great vigour and zeal.**
