Exploring concepts with shapes and blocks are just one way children learn geometry early in their education, and build shape skills. It also helps to enhance Problem Solving, Fine motor and Cognitive Skills.

To support the above statement,

## **Reforming Shapes Competition**

is organised

for

### **Montessori 1**

On

12.7.23 i.e, Wednesday

#### **Important points to noted:**

- The child has to make any scene using different shapes.
- The child has to bring material like cutouts of shapes (any form).
- Time duration of the competition will be of 1 hour.
- Judgement will be done on the basis of creativity, presentation, colour combination, number of shapes used.
