

CHRISTMAS CELEBRATION

23.12.2020

Christmas is a time there love joy and peace abounds in the world. MAPS Nursery Wing celebrated the birth of Jesus Christ in the true spirit of Christmas Virtually.

First of all, the significance of Christmas was highlighted by teachers during online session and through a story by Nursery Coordinator. Various activities were held in all classes like card making in Pre School, Santa making in Pre Primary, Rudolph Reindeer and Calendar of Santa in Montessori .Christmas is also about giving and loving.

So, tiny tots of Nursery Wing did one act of kindness on Christmas and became secret Santa for someone. The Christmas celebration culminated with the joy of caring and sharing.
