PRE PRIMARY

20.07.2020

The famous painter Pablo Picasso said **'Every child is an artist'**

The little ones always have a fantasy about colours. So, to nurture the creativity of the learners, a colouring activity titled "Shades of India" was conducted for the students of Pre Primary on 20.7.20. In the activity, a colouring worksheet related to traditional dresses of different states of India was provided to them in a day advance. The children participated with great enthusiasm and displayed their colouring skill.
