Maharaja Agarsain Public School : Ashok Vihar - Delhi
Child Memorial DAV Public School : Sirsa- Haryana

When- 10th May 2018 (Thursday)

Discussion theme - 'Let's make assemblies better'

On 10th May, we had an interactive Skype session with **CM DAV PUBLIC SCHOOL**, Sirsa, Haryana. Conducted under the guidance of our class teacher Mrs. Shallu Gupta and ISA project In charges Ms Rashmi and Ms Rakhi, we had interactive discussion with our partner school friends about making our assembly better!

We shared the itinerary of our class assembly and they shared theirs. We have incorporated two ideas shared i.e. **chanting of Gayatri Mantra and sharing the details/history of the assembly date.**

Our partner school decided to include **Vande Matram (Our National song)** in their near future assembly. They also appreciated the theme of our assembly; Together we can change the world. We have also decided to share learning's with each other through videos, blogs, presentations and online survey form.

This is the beginning of collaborative project and both the schools are enthusiastic to have more of these sessions. In the end of the session, Cambridge wing Administrator, Mrs. Jharna Anand had a brief introductory exchange with the learners of the partner school mutually thanking, the partner schools culminated the discussions on a promising note to connect again.

Learning Outcome:

Gain understanding of importance and varieties of school assemblies of chosen countries and know about their cultural differences.
