

## A STORY TELLING SESSION

*"Storytelling is the most powerful way to put ideas into the world"*

To acknowledge and showcase the love for stories, MAPS Foundational Wing conducted 'Storytelling Session 'on 15th January '22 by Ms. Debra Weller from Florida, USA, a popular storyteller across the globe. The session was attended by students from Pre-Primary to class II. She started the session by playing of guitar and singing the mesmerizing song to catch the attention of tiny tots, which was followed by magnificent stories. She narrated the stories using marvelous expressions and voice modulation. She also taught students, how to learn a story by drawing it on a storyboard. Overall, it was an effective, interactive and engaging session that helped in developing our little ones' creative, imaginative, and listening skills.
