SUMMER BREAK & MOTHERS DAY ACTIVITY

6.5.2022

“SCHOOL BELLS ARE RINGING LOUD AND CLEAR,
SCHOOL OVER VACATIONS ARE HERE.”

Special moments :-

what better way to enjoy the last day of the school and welcome the summer break. Foundational wing at MAPS celebrated summer bonanza. The highlight of the event was a special assembly where the principal ma'am Mrs Alka Sahani addressed the kids. Then a day filled with treats and activities started where kids enjoyed their favourite scoop of ice cream and were all set to dance on their favourite numbers...Along with our class 1 and 2 kids celebrated mothers day with a very interested activity Scavengers hunt in form of card making. Last but not the least it was a day filled with great joy and happiness.

Loving hugs, bye byes and off they went home. Not before saying will miss u ma'am. Happy Holidays.
