

Back to school.....more enthusiastic and energised ever

The first day of the school after a summer break began on a happy note on 2nd July. The teachers as well as students were excited to be back. The general assembly was conducted where in after a routine prayer CBSE board result was discussed. Students taken German subject attended a programme in Srilanka during holidays. They shared their experience on the stage. Principal madam motivated the students to work harder and set clear goals to achieve success. The students had come back fresh and reenergised.
